

RAGURAM N

ELECTRONICS AND COMMUNICATION ENGINEERING STUDENT

+91 6381475250 | pnraguram@gmail.com | PUDUCHERRY | <https://www.linkedin.com/in/raguram-n-ece-46823a345>

CARRER OBJECTIVE

Dedicated and resourceful Engineer with a solid foundation in Java, SQL, and web development. Proficient in creating dynamic applications and diverse web solutions, with a proven track record from internships and personal projects. Strong critical thinking skills complement technical abilities, enabling the effective resolution of complex challenges in software development. Eager to contribute to a forward-thinking team in a challenging engineering role

TECHNICAL SKILLS

- JAVA
- HTML5
- Basic SpringBoot
- SQL
- WORDPRESS
- GITHUB
- DATABASE CONNECTIVITY

INTERNSHIP

2025 Black Nerve Pondicherry	Web Designer intern
• Developed an e-commerce website (link: https://testing.blacknerve.com) utilizing WordPress, focusing on user experience and site functionality. • Collaborated with a team to conduct usability testing and implemented improvements based on user feedback.	

EDUCATION

Sri Manakula Vinayagar Engineering College	2022 - present
B.tech Electronics and Communication Engineering	
7.81 CGPA	
Petit Seminaire Higher Secondary School	2022 HSC
BIOMATHS	
91.83%	
Petit Seminaire Higher Secondary School	2020 SSLC
10TH	
87.2%	

PROJECTS

SHOPPIING CART APPLICATION USING JAVA

- Developed a console-based shopping cart system using Java, allowing users to add, remove, and view products.
- Implemented backend logic and database operations using JDBC to connect with MySQL for product and cart management.

BUS TICKET RESERVATION SYSTEM USING JAVA

- Developed a console-based ticket reservation s ystem allowing users to add buses, book seats, and view booking details.
- Demonstrated strong understanding of Java control structures, loops, user input handling, and basic algorithmic problem-solving.

JAVA-BASED REAL-TIME WEATHER APP

- Built a Java-based Weather App that fetches real-time data (temperature, humidity, wind speed, conditions) using the OpenWeatherMap REST API.
- Designed a user-friendly interface to display live city weather details, applying OOP principles and API integration for reliable performance.

EXTRACURRICULAR ACTIVITIES

- Listening to music
- Participating in Coding Challenges
- Watching Tech Documentaries and Tutorials
- Volunteer works [NSS PONDICHERRY]

CERTIFICATES

- Certified in C Programming , SQL and Microsoft basics [CSC PONDICHERRY]
- Java Programming Certification [NIIT Pondicherry] , NPTEL.
- Presented a paper at 4th National Conference on "Recent Advances in Communicative Electronics (NCRACE 2025)"
- Won 2 prize at Technical Quiz [Hindustan University]
- Actively participated in various workshops and hackathons in various colleges.

DECLARATION

I hereby confirm that all the details furnished above are authentic and accurate to the best of my knowledge and belief.
