Objective

To obtain an entry-level position in a reputed organization where I can apply my academic knowledge, technical skills, and enthusiasm to contribute to organizational success while gaining valuable professional experience and fostering continuous personal growth.

Education

JNN Arts & Science Women's College, Kannigaipair – UNOM

B.Sc. Computer Science | 2022 – 2025 | CGPA -8.25

I'm grateful for the strong foundation that this college provided, which has enabled career goals with confidence.

Computer Software College, Gummidipoondi.

Diploma in Microsoft office | Apr-May 2025

Through this DMO course, I gained hands-on experience with Microsoft applications, including Word, Excel, and PowerPoint

St. Mary's Matriculation Hr. Sec. School, Arambakkam.

Higher Secondary (HSE) | 2021 – 2022 | 76%

Secondary School (SSLC) | 2019 – 2020 | 98%

Projects

1. Employee Prediction Model

Developed and trained a machine learning model that achieved 75% accuracy.

Tools: Python, scikit-learn, Tensor Flow, Data Analytics

My Contribution: I developed and trained the model, handled data pre-processing, and evaluated performance metrics.

2. Intelligent Study Planner (AI Study Planner)

Designed an AI-based scheduler that helps students plan study sessions efficiently.

Tools: Python, NLP, Machine Learning, HTML, PHP, Node.js

My Contribution: I led the frontend logic for generating personalized schedules and integrated the AI model using Python.

3. FitFlex – Fitness Companion (Nanmudalvan Project)

Developed a web app to deliver personalized workout plans.

Tools: React, Node.js, Machine Learning.

My Contribution: I contributed to the machine learning module for activity tracking.

4. Digital Skills Documentation (Authored comprehensive documentation detailing the use of essential software, including PowerPoint, Excel, and Word)

Technical Skills: Python, HTML, UI/UX (Beginner), Machine Learning, MS Word, Excel, PowerPoint, Notepad, Testing & Debugging, Content Writing, Computer Literacy.

Soft Skills: Leadership | Teamwork | Communication | Organization | Problem-Solving | Public Speaking | Initiative | Active Listening | Volunteering.

Achievements/Certificates

• Winner of 2-Day State-Level Technical Symposium – Techno are 2023

• Basic understanding of ERP systems through self learning

• Certified in Ms Excel through Diploma in Microsoft Office (Grade A)

• Completed Project Management Fundamentals – IBM Skills Build

• Completed online courses on HTML, UI/UX, and Machine Learning via Great Learning

• Research Paper: “Prevention Techniques in Car Hacking”

• Member – English Literature Club & Yuma Club

• Organizer – Tech Pro Club

• Held role of Testimonial Writer & Event Reviewer during college events

• Active user on coding platforms GeeksforGeeks, W3School
