SUMMARY

B.Com graduate with 5 months of experience in medical billing, seeking a challenging role that offers growth beyond billing. Detail-oriented, with strong analytical and problem-solving skills, I am eager to contribute in areas such as data management, customer service, and process improvement.

WORK EXPERIENCE

Jun 2024 – Nov 2024

MV Hospital | Royapuram

BILLING EXECUTIVE (MEDICAL BILLING)

- Prepare and submit medical bills to insurance companies.
- Verify billing details and ensure accuracy and compliance with insurance policies.
- Track and follow up on unpaid claims and outstanding invoices.
- Resolve billing discrepancies and address inquiries from insurance providers.
- Maintain accurate billing records and generate reports for financial tracking.

EDUCATION

B.com commerce SRM University

2020-2023

Graduated with a strong foundation in accounting, finance, economics, and business law. Gained proficiency in financial analysis, data management, and using tools like Excel for reporting. This degree equipped me with the skills to support roles in billing, accounting, and financial management.

Commerce Maria matric school

2018 - 2020

Gained foundational knowledge in business principles, financial management, and economic theory, laying the groundwork for further studies in commerce and business analytics.
