ABOUT ME

Enthusiastic Computer Science student with experience in front-end web development using HTML, CSS, and Canva. Quick learner with strong communication, leadership, and adaptability skills. Completed an internship focused on real-time web design and development. Eager to contribute creatively in tech-driven and team-based environments.

EDUCATION

BACHELOR OF COMPUTER SCIENCE

2022-2025

Vivekanandha arts and science college for women

HIGHER SECONDARY EDUCATION

2021-2022

V.V.C.R.Murugesanar senguthar girls higher secondary school

WORK EXPERIENCE

Luisant Software Solution May-June 2024

Web Development Intern

Gained hands-on experience in building responsive websites using HTML, CSS, and basic JavaScript. Learned real-time website creation, layout design, and user interface development. Improved practical knowledge of web design tools and client-focused development.

PROJECT

STUDENT RESULT MANAGEMENT SYSTEM

Designed and implemented a system to manage student results securely and efficiently. Features included student registration, marks entry by admin/teachers, and result generation. Utilized PHP, MySQL, HTML, and CSS to create a dynamic, user-friendly interface. Enabled role-based access for admin, teachers, and students to ensure data security. Improved result processing speed and reduced manual errors in record keeping.
