OBJECTIVE

I am a recent graduate eager to start a professional career, committed to learning quickly, adapting to new challenges, and positively contributing to organizational growth.

SKILLS

- | | | | |
|-----------------------------|---------------------|-------------------|-------------|
| • Python | • Leadership | • Communication | • MS Office |
| • Matplotlib | • CRO Operation | • NumPy | • Pandas |
| • Machine Learning | • MS Excel | • Problem Solving | • SQL |
| • Breadboard Circuit Design | • FTIR Spectroscopy | • Time management | • Teamwork |

EDUCATION QUALIFICATION

May-2025	Manonmaniam Sundaranar University, Tirunelveli. Master of Science Physics
May-2023	Manonmaniam Sundaranar University, Tirunelveli. Bachelor of Science Physics
March-2020	Meenakshi Matriculation Hr. Sec. School, Pettai. HSC
March-2018	Meenakshi Matriculation Hr. Sec. School, Pettai. SSLC

EXPERIENCE

Jan 2023	Intern at AVO Carbon India Private Ltd, Chennai. Completed a 6 month internship as part of academic curriculum, gaining hands-on industrial knowledge. Developed understanding of industry operations and work environment in an outer-city industrial setting.
June 2024	Intern at National Institute of Technology, Trichy. Completed a 15 day internship at Trichy, where I gained research experience in material synthesis, electrical conductivity, and the dielectric properties of materials.

CERTIFICATION

- | | |
|---|--|
| • NPTEL Certificate in Experimental Physics | • 2D Animation |
| • NPTEL Certificate in Solid Waste Management | • Typewriting (Junior Level) (English) |
