PROFESSIONAL EXPERIENCE

OptimHire | Hyderabad

Independent Talent Acquisition Manager – Domestic & APAC IT Recruitment *March 2024 – Present*

- Designed and executed scalable recruitment strategies across India & APAC, building pipelines for niche IT roles.
- Partnered with leadership teams to forecast manpower needs and align hiring with business growth.
- Improved offer-to-join ratio by 15% through stronger candidate engagement and onboarding practices.
- Built recruitment dashboards and automated hiring reports, reducing time-to-hire by 20%.
- Led a team of recruiters, providing training on sourcing methods, negotiation, and compliance with hiring policies.
- Enhanced employer branding by developing candidate outreach campaigns and leveraging job portals & LinkedIn.
- Standardized interview evaluation forms, improving selection accuracy and reducing bias.
- Partnered with HR operations team to improve pre-onboarding processes, ensuring a smooth candidate-to-employee transition.

Tech Bridge | Hyderabad

Recruitment Manager – APAC Region (IT Recruitment)

May 2022 – Feb 2023

- Managed end-to-end hiring for India & Singapore, handling mid to senior-level IT and business roles.
- Streamlined sourcing, screening, and interview coordination processes, improving hiring efficiency.
- Implemented bulk outreach campaigns to increase candidate pool for niche technology positions.

- Partnered with hiring managers to design role-specific interview structures, improving selection accuracy.
 - Ensured compliance with APAC hiring regulations and documentation standards.
 - Reduced average hiring turnaround time from 45 to 30 days, accelerating project staffing.
 - Strengthened candidate relationship management, boosting acceptance rates in competitive IT markets.
 - Built a centralized candidate database that improved sourcing efficiency and reduced duplicate outreach.
 - Introduced recruitment analytics tracking (pipeline conversion, source effectiveness), enabling data-driven hiring strategies.
-

Lakshmi Group – Dealership for Hyundai, Kia & Ashok Leyland | Visakhapatnam

Senior HR Executive / HR Business Partner

Aug 2014 – Apr 2022

- Administered payroll for 500+ employees, ensuring complete accuracy, statutory compliance, and timely salary disbursement each month.
 - Oversaw statutory compliance processes (PF, ESI, TDS, Gratuity, Bonus), maintaining alignment with labor regulations and audit requirements.
 - Designed and rolled out HR policies, employee handbooks, and SOPs that standardized HR practices across multiple business units.
 - Partnered with plant and business heads on manpower forecasting, succession planning, and workforce optimization initiatives.
 - Implemented structured employee engagement programs, reducing attrition and boosting retention rates by 12% year-on-year.
 - Managed grievance handling and disciplinary actions, ensuring fair treatment while mitigating risks of legal disputes and escalations.
 - Conducted compliance audits and HR process reviews, strengthening reporting accuracy and minimizing regulatory non-conformance.
 - Supported performance management cycles, enabling transparent appraisals, fair promotions, and stronger career growth alignment.
 - Rolled out training & development programs including compliance training, leadership workshops, and role-based skill-building sessions.
 - Partnered with operations leadership to address absenteeism trends, increasing workforce productivity and overall plant efficiency.
 - Digitized HR processes (attendance tracking, leave management), cutting manual workloads and improving processing efficiency by 25%.
 - Spearheaded health, safety, and wellness initiatives that improved employee satisfaction scores and reduced workplace-related grievances.
-

PROJECTS

Payroll Automation & Compliance System – Hyundai Motor Company

- Led the implementation of a digitized payroll and compliance system for **500+ employees**, integrating PF, ESI, TDS, and Gratuity calculations.
- Reduced payroll errors by **30%** and shortened processing time from 7 days to 3 days per cycle, while ensuring full statutory compliance.

Recruitment Analytics Dashboard – OptimHire

- Designed and deployed a recruitment performance dashboard using HR analytics, tracking **time-to-hire, source effectiveness, and offer-to-join ratios** across India & APAC.
 - Helped leadership make data-driven hiring decisions, reducing average hiring time by **20%** and improving pipeline visibility for niche IT roles.
