

ABISHEK S

B.Tech Student in IT

📞 9360382691 @ abismartking@gmail.com 📍 Chennai

SUMMARY

I am a dedicated B.Tech student in Information Technology with a strong GPA of 8.0. My experience includes internships in AI/ML and Full Stack development, where I've built web applications and tools that streamline processes. Proficient in a range of technologies including Python, HTML, CSS, and JavaScript, I am focused on leveraging these skills to deliver innovative solutions

EDUCATION

B.tech

DMI College of Engineering

📅 08/2021 - 05/2025 📍 Chennai

Higher Secondary School

Chennai Municipal Higher Secondary School

📅 06/2019 - 05/2021 📍 Chennai

Secondary School

Chennai Municipal Higher Secondary School

📅 06/2019 - 05/2019 📍 Chennai

EXPERIENCE

AI/ML Intern

Altruisty Innovation Private Limited

📅 01/2025 - 02/2025 📍 Chennai

Internship focused on AI/ML project development

- Developed a tool to help companies plan hiring for AI/ML roles based on project needs
- Generated role recommendations, ideal candidate profiles, recruitment timelines, and budget estimates
- Included upskilling suggestions and hiring channel recommendations to support strategic hiring decisions

Full Stack Intern

Prodigy Infotech

📅 07/2024 - 08/2024 📍 Chennai

Internship focused on full-stack web development

- Built interactive web applications including a Tic Tac Toe game, stopwatch, and responsive landing page
- Developed using HTML, CSS, and JavaScript with responsive UI

PROJECTS

Person Protective Equipment Detection System

Person Protective Equipment Detection System for workers

- Built using YOLO, Streamlit, and voice alerts
- Detects whether workers wear necessary safety equipment using a webcam
- Implemented real-time detection with alert system with voice alerts

Smart Finance System

Smart Finance System to manage user expenses

- Created using Streamlit, Python, and Plotly
- Tracks and categorizes user expenses
- Provides interactive dashboard with charts for visual analytics
