621804 Tamilnadu

PROJECTS

- Smartphone Controlled Car Using Arduino UNO
- Smartphone Controlled Drone Using Arduino UNO
- Parking Detector Using Node MCU
- Sun Tracking Solar Panel Using Arduino UNO

SKILLS

- C Language
- Embedded System
- PCB design
- IOT
- OrCAD
- Embedded C

LANGUAGES

- Tamil
- English

PROFILE

To work in a firm with a professional work driven environment where I can utilize and apply my knowledge.

EDUCATION

K . Ramakrishnan College of Technology
Bachelor of Engineering (2020-24)
Electronics and Communication Engineering
CGPA : 7.85

Periyar Matriculation Higher Secondary School
HSC (2019-20)
Score : 55%

Periyar Matriculation Higher Secondary School
SSLC (2017-18)
Score : 76%

WORKSHOP

- Undergone a training on PCB design and manufacturing organized by RAACT
- Undergone a training on Embedded systems & IOT organized by Hitakey Infosys
- Undergone a training on Cloud Computing organized by KRCT

INTERNSHIP

- Kaashiv infotech Pvt Ltd on embedded domain in Chennai .

SOFT SKILL

- Teamwork
- Leadership
- Quick Learner
