OBJECTIVE

- A highly motivated and detail-oriented Electronic Communication Engineering graduate with a strong foundation in technical concepts and practical experience gained through hands-on work in an organization. Passionate about front-end development, I possess proficiency in HTML, CSS, JavaScript, and Python, allowing me to create interactive and visually appealing web applications. I am eager to leverage my technical expertise, problem-solving abilities, and adaptability in a dynamic work environment. My goal is to contribute effectively to an innovative organization where I can enhance my skills, collaborate with professionals,

DHAANISH AHMED COLLEGE OF ENGINEERING

Electronic Communication Engineering

2021-2025

Percentage : 60

RAJA MATRICULATION SCHOOL

Higher Secondary

2021

Percentage : 70.8

INTERNSHIP

UNIQE MEASUREMENT SERVICE

Oct2024 - Nov2024

- During my one-month internship at Unique Measurement Service, I gained hands-on experience in the field of measurement and calibration. I was actively involved in understanding various testing and calibration procedures, ensuring precision in measurements for industrial applications. This internship provided me with valuable exposure to industry standards, instrumentation, and quality control techniques. I also had the opportunity to work with advanced measuring equipment, enhancing my technical skills and problem-solving abilities.
