

SURYA S

MECHANICAL ENGINEER

Madurai | 9791464476 | suryasubramanian0377@gmail.com

PROFESSIONAL SUMMARY

Motivated and detail-oriented mechanical engineering fresher looking for an opportunity to work in a challenging and growth-oriented organization, where I can contribute to real-world mechanical design and manufacturing solutions.

EDUCATION

Bachelor of Engineering (Mechanical)

Sept 2023

Sethu Institute of Technology, Virudhunagar

CGPA : 8.02 (Up to 7th Semester)

Diploma in Mechanical Engineering

Apr 2023

GMS MAVMM Polytechnic College, Madurai

Percentage : 77.56%

HSC

Mar 2022

Madura College Higher Secondary School, Madurai

Percentage : 59.52%

SSLC

Mar 2020

ST, John Peter Matriculation School, Madurai

Percentage : 55.15%

INTERNSHIP

sigram CNC Technology, Coimbatore

CNC Technology Intern

Gained understanding of CNC machine operations and workflow. Learned how workpieces are turned using G-code (geometry/motion commands) and M-code (machine functions).

Ashok Leyland, Madurai

Industrial Exposure Intern

Gained hands-on experience in assembly, fittings, and fabrication processes for mechanical components. Developed practical knowledge of vehicle electronics integration and maintenance.

PROJECT

Fire Fighting Robot using Arduino

Explored firefighting robots with AI navigation, sensor integration, and fire suppression systems. Analysed their use in hazardous environments and assessed market potential through COP mapping.

CERTIFICATION

- Additive Manufacturing & 3D Printing-Skill India 2024
- IOT - level 1
- IOT - level 2

SKILL

Typewriting || Manufacturing process || Communication || Teamwork || Collaboration
