

DHARSHINI

KARUNAKARAN

PH NO: 7305563380

Mail id: Kdharshini2711.3@gmail.com

Location: Chennai, Tamil Nadu, India

Linkedin: <https://www.linkedin.com/in/dharshini-k-213a7b310>

TECHNICAL SKILLS

- JAVA
- HTML
- CSS
- JAVASCRIPT
- ANGULAR JS
- POWER POINT
- EXCEL

SOFT - SKILLS

- Leadership
- Team player
- Analytical
- Logical thinking
- Communication
- Adaptability

CERTIFICATIONS

- FULL-STACK
JAVA
- CORE PYTHON
(Appollo computer
center and
Qspiders)

PERSONAL DETAILS:

- DOB: 27/11/2003
- HOBBIE: Sketching

EDUCATION

- Panimalar Engineering College- B.E Electrical and Electronical Engineering
DEC 2021 -APRIL 2025 CGPA-7.6
- OUR LADY'S MAT. HR. SEC. SCHOOL, CHENNAI - 12TH
MARCH 2020 - MARCH 2021 - 7.4

EXPERIENCE

INTERSHIP AT SIMPSON& CO. LTD, RESEARCH CENTER AT THORAIPAKKAM

-As Research and Development intern | 13th June 2023- 22nd June 2023

- Enhanced manufacturing efficiency by reducing defect rates by 15% through process optimization..
- Gained hands-on experience in motor and battery testing, contributing to the development of new motor control algorithm.

PROJECT

SELF-BALANCING E-CYCLE (Final Year Project):

- Participated in the Bharath Cycle Design Challenge, leading to the 3-D and 2-D design creation of a self-balancing electric cycle. Designed and developed a self-balancing electric cycle using Arduino, gyroscope, and accelerometer sensor. Implemented PID control for real-time stability, tested for sensor accuracy, motor response, and urban mobility use.

ENHANCING WASTE SEGREGATION WITH A ROBOTIC ARM AND ML ALGORITHM:

- Designed and developed of an automated waste segregation system that integrate a robotic manipulator and a Convolutional Neural Network (CNN).

PAPER

Published on Trends, A Review On Challenges Of Electric Vehicle In India at PECTEAM Conference 2K24.

WORKSHOP

- Attended a one day workshop on HYBRID ENERGY, Chennai Institute of Technology on 14- oct 2022.
- Three days workshop on KUKA INDUSTRIAL ROBOTICS, Panimalar Engineering college on 03- oct 2022.
