EXECUTIVE SUMMARY

Highly motivated and results-oriented Accounts Receivable with 3.6 years of experience in medical billing and collections. Proven ability to effectively communicate with insurance companies and patients to resolve outstanding claims, reduce aged receivables, and improve cash flow. Detail-oriented and proficient in various billing software and electronic health records (EHR) systems. Seeking to leverage my expertise to contribute to the financial success of a dynamic healthcare organization.

WORK EXPERIENCE

Senior Associate – Ventra Health,

Jan 2024- Present
Chennai

- Promoted as **SME / SPOC** based on performance, process knowledge, and leadership within the medical billing team.
- Allocated accounts and work assignments to team members to ensure timely follow-up and productivity targets.
- Managed CMS-1500 and UB-04 claim submissions, denial resolution, and claim refiling for timely reimbursements.
- Reviewed EOBs, processed appeals, and ensured accurate payment posting.
- Applied the payments based on SLA
- Investigated and resolved unapplied and misapplied cash, short payments, and overpayments.
- Prepared daily consolidation reports on productivity, quality, and pending tasks. Coordinated with leads and management for status updates and escalations.

Junior Associate – AGSHealthcare,

Aug 2022- Jan 2024
Chennai

- Responsible for making high-volume outbound calls to insurance companies to follow up on unpaid or denied claims.
- Analyzed and resolved complex billing issues, including underpayments, denials, and coding errors.
- Successfully appealed and resubmitted claims, leading to a increase in collection rates.
- Maintained accurate and detailed records of all communication and follow-up activities in the billing system.
- Collaborated with the billing and coding teams to identify and correct recurring issues that led to claim denials.
