## CAREER SUMMARY

Add a resume summary that highlights what it is you do, the types of companies you've worked with, and why you're great at your job. Typically, summaries should be very short and to the point, but you can go a little long in the functional resume format. Consider including experience levels, specializations, or areas of interest. Ensure that your summary perfectly aligns with what is asked for in the job description.

## EDUCATION

**HSC** | 67 % | SREE NARAYANA GURU SCHOOL ,KANCHIPURAM Year (2016)
