Versatile professional with expertise in Data Science and hands-on experience as a Data Scientist. Gold Medal recipient for academic excellence in M. Tech, Data Science awarded top institutional honors. Contributed to data-driven projects at 2 tech firms, leveraging **2 years of ICT experience**. Strong technical skills in **Python, SQL, Power BI** and **Excel** with a focus on **sustainability-driven solutions** and **cross-functional team leadership**.

EDUCATION

Rajalakshmi Engineering College, Chennai, India 2020 - 2022

Master of Technology, Data Science

- Awards: **Gold Medal** (Top 1) awarded by the academic council for achieving the 1st Rank holder of the institution in the Department of Information Technology, Presented by **Nobel Laureate, Professor Mohan Munasinghe**.
- Honors: **Citation for Academic Excellence** (only 1 awarded in the Department of Information Technology) and **Cash Prize of ₹10,000 INR (~NZ\$196 NZD)** (only 1 awarded) in recognition and appreciation for outstanding academic performance in achieving 1st Rank in the examinations conducted by the university. Presented by **Ms. Shubha Kumar**, Managing Director of Natesan Group.
- Earned **Full Tuition Scholarship** for the entire M.Tech program through a competitive entrance exam and interview selection process.
- Presented a paper titled "**Machine Learning Framework to Identify Chronic Kidney Disease (CKD)**" in the International Conference on Recent Advances in Mathematics and Computational Engineering held at Sri Sivasubramaniya Nadar College of Engineering (SSN), Tamil Nadu.
- Participated in the Workshop on Artificial Intelligence and High Performance Computing, conducted by **National Institute of Technology Mizoram** and **Indian Institute of Technology Kharagpur**, under the aegis of the National Supercomputing Mission.
- Grade: 8.29 CGPA (First Class).

National Institute of Electronics & Information Technology (NIELIT), Chennai, India 2021

PG Diploma in Data Science and Analytics

- Participated in the Workshop on Accelerated Data Science, conducted by NSM Nodal Centre, **Indian Institute of Technology Kharagpur** and **NVIDIA** under the aegis of the National Supercomputing Mission.
- Grade: A.

Karunya Institute of Technology and Sciences, Coimbatore, India 2015 - 2020

Bachelor of Technology, Electronics and Communication Engineering (ECE)

- Presented a Paper on "Bandwidth Enhancement of Microstrip Patch Antenna" at the INNOVATE event held at Karunya Institute of Technology and Sciences, Coimbatore.
- Grade: 6.98 CGPA.

PROFESSIONAL EXPERIENCE

Zummit Infolabs, Bangalore, India November, 2022 – October, 2023

Junior Data Scientist Intern

- Developed 6 Machine Learning models using Python and Power BI, achieving 85% prediction accuracy for car pricing and customer churn models.
- Led cross-functional teams of 13 members across 6 Data Science projects, conducting daily standups and reporting directly to founders.
- Applied **Power BI for Data Visualization** and insights, enhancing decision-making.

- Implemented NLP algorithms for sentiment analysis and news classification, improving categorization accuracy by 27%.
- Utilized regression analysis to predict customer lifetime value, increasing retention rates by 25%.
- Designed computer vision solutions for red eye detection with 95% confidence rates.
- Managed **Excel based project tracking systems** and provided valuable insights that contributed to company growth and improving team productivity by 33%.
- Worked on predictive modeling, NLP and computer vision tasks, leveraging Python and ML frameworks.

Tata Consultancy Services, Chennai, India

August, 2021 – May, 2022

Intern

- Automated Annual Maintenance Cost (AMC) data collation process, reducing manual effort by 30% by eliminating data inconsistencies across business units, improved accuracy of equipment lifecycle tracking for 500+ assets.
- Developed **Electricity Prediction Automation** model using Python and Machine Learning Algorithms (Linear Regression, Decision Tree, Time Series, Neural Networks) and Data Mining technique based on variables like temperature, occupancy, area, etc., accurately forecasting premise electricity consumption, achieving 92% forecasting accuracy thus enabling 15% reduction in energy expenses, aligning with sustainability goals and also contributing to environmental sustainability.
- Contributed to Digital transformation of administrative functions under **EquipMax**, enhancing **asset management**, improving **AMC compliance tracking** and **enabling real-time monitoring of non-IT infrastructure assets** resulting in 30% efficiency gain in asset lifecycle management.
- Collaborated with cross-functional teams to digitize administration processes, aligning with **Environmental, Social and Governance (ESG) frameworks and Special Economic Zone (SEZ) compliance**, improving Service-Level Agreement (SLA) adherence and governance efficiency also improving stakeholder transparency for better decision-making.

LICENSES & CERTIFICATIONS

- **LinkedIn certified Data Analyst.**
- **Google Cloud Computing Foundation with Kubernetes**, certified & accredited by **Google & NASSCOM**, approved by **The Government of India**.
- **Google Cybersecurity** certified by Google (Coursera, 2023).
- Earned **Salesforce** Trailhead Badges (Trailhead Basics, **Salesforce Platform Basics**, **Salesforce User Basics**, Lightning Experience Basics), Issued by Salesforce.
- **Prepare Data for ML APIs** on Google Cloud Skill Badge, Issued by **Google Cloud**.
- **Set Up an App Dev Environment** on Google Cloud Skill Badge, Issued by **Google Cloud**.
- **Implement Load Balancing on Compute Engine** Skill Badge, Issued by **Google Cloud**.
- **Build a Secure Google Cloud Network** Skill Badge, Issued by **Google Cloud**.

VOLUNTARY WORKS

- Participated in **Rotaract Club** Activities at Karunya Institute of Technology and Sciences, Coimbatore (2016 - 2017).
- Participated in **NSS (National Service Scheme)** Activities at Karunya Institute of Technology and Sciences, Coimbatore (2015 - 2016).

SKILLS & OTHER

Skills: Data Science, Python, SQL, Tableau, Power BI, Excel, Project Management, Customer Relationship Management (CRM), Scrum, Requirements Management, Project Scheduling, Stakeholder Management, Microsoft 365, DevOps, Agile Project Management, Agile Methodologies, Jira, Software Development Life Cycle (SDLC), Agile Software Development, Agile Testing.
