- Percentage: 59.7%

SSLC | Velammal vidhyashram CBSE

2016– 2017

- Percentage: 76%

EXPERIENCE

Pazl Infolyte | Jan2025 – Present

- Designed, developed, and maintained scalable web applications aligned with business requirements.
- Ensured applications delivered high performance, reliability, and maintainability.

Projects:

- * Developed scalable and responsive modules (Work Orders, Sales Orders, Purchase Orders, Dashboard, Client, and Machine Master).
- * Converted Uizard AI designs into reusable React components, enhancing usability and performance across devices
- * Implemented RESTful API CRUD operations and backend updates in Node.js, with MySQL database integration for efficient data storage and retrieval.

Associate Customer Support| Tech Mahindra

May 2024 – Jan 2025

- Serve as the first point of contact for customers via phone, email, chat, or ticketing systems.
- Assist customers with product/service inquiries, troubleshooting issues, and providing step-by-step guidance.

📍 No: 207, Baba Nagar, 1st Main Road,
Villivakkam, Chennai – 600049.
