CAREER OBJECTIVES

To be actively involved in strategic planning and take up challenging work and seek a mutually beneficial relationship in an organization where I can excel by utilizing my abilities, experience, skills, drive to succeed more interestingly in Employee Engagement and Relations. I am a Certified Scrum Master (CSM®) with 3.8 years of hands-on experience in Agile-Scrum Methodology.

PROFESSIONAL SUMMARY:

- Guides and coaches, the Scrum Team on how to use agile practices and principles to deliver high quality products and services to our customers.
Responsible for ensuring Scrum is understood and the team adheres to Scrum theory, practice, and guidelines.
- Works with Scrum Team, as well as internal and external stakeholders, to influence and drive decision making and support organizational projects or product teams.
- Resolve team impediments with other Scrum Masters to increase the effectiveness of the application of Scrum in the organization.
- Works with Agile coaches and other Scrum Masters to grow within the role.
Contributes to the advancement and improvement of Agile practices within the organization.
- Facilitates and supports all scrum events: Sprint Planning, Daily Scrum, Sprint Review, and Sprint Retrospective.
- Acts as a leader who coaches and supports Agile teams assigned to mainly Business as Usual (BAU) work.
- Coordinates inter-team cooperation and helps the team to operate well on the train.
Participates in SoS; keeping the team aware of opportunities to engage and improve program effectiveness
Contributes to the overall development of Value Stream
- Leads the team efforts in relentless improvement.
(Facilitates the team retrospective, teaches problem solving techniques)
- Facilitates team events including daily Stand-up, Iteration Planning, Iteration Review, and Iteration Retrospective.
- Supports the Product Owner in their efforts to manage the backlog.
