WORK EXPERIENCE

TOURIST GUIDE AT JAIPUR

- English Guide in Jaipur, I crafted immersive experiences for global travelers, leveraging my local expertise to weave compelling narratives about the city's rich history, art, and traditions. I successfully connected visitors with the local culture, fostering meaningful interactions and unforgettable memories. This revised version uses more descriptive language and emphasizes your role as a Guide, highlighting your ability to create engaging experiences and connect visitors with the local culture.*

EXTRA ACTIVITIES : FRENCH LANGUAGE & CULTURAL ENGAGEMENT

- Actively participated in French language programs and cultural events, including Bonjour India, to deepen my understanding of French language and culture. Volunteered for three months at Alliance Française d'Ahmedabad, assisting in organizing cultural activities and indoor events. Also worked as a French tour guide, gaining practical language experience and improving communication skills through interactions with native speakers and tourists*

EXPERTISE

- Proficient in French and English, with excellent communication skills. Eager to take ownership of new responsibilities and deep dive into processes, leveraging my language expertise to drive success.
