SUMMARY

A Motivated graduate with a strong interest in banking operations and customer service. Possesses hands-on basic knowledge in SAP and MS Excel, with the ability to analyse data, streamline tasks, and support day-to-day financial processes. Known for quick learning, accuracy, and a proactive approach to problem-solving. Eager to contribute to a dynamic banking environment and deliver efficient, customer-focused service while growing professionally.

EXPERIENCE

INDIAN OVERSEAS BANK(IOB)

- Completed a 15-day internship at Indian Overseas Bank, assisting with teller duties, guiding customers, and helping senior citizens with form filling. Gained practical experience in customer service and daily banking operations.

PROJECT

ENTREPRENEURSHIP DEVELOPMENT

- I handled the Accounting and Finance responsibilities for the ED Bazaar, including cash management, tracking sales and expenses, and maintaining accurate financial records.
- This role strengthened my financial planning, accuracy, and teamwork skills.
