OBJECTIVE

To learn and function efficiently in a reputed organization and deliver to the fullest of my capability. To constantly upgrade my knowledge and skills and contribute to the growth of the organisation.

EDUCATION

YEAR	INSTITUTION	PERCENTAGE
2011	Standard X <i>Modern matric. Hr. Sec. School (State Board)</i>	74.4
2013	Standard XII <i>Vetri Vikas Girls. Hr. Sec. School (State Board)</i>	84
2017	Bachelor of Engineering in Electronics and Instrumentation. <i>Sri Sairam Engineering College , Chennai, India</i>	7.00 (CGPA)

PROJECTS

INFERNO RESCUER

- In this project, involves designing a robot which can locate and extinguish a fire. To overcome this we have developed a prototype which can be controlled by a laptop. To make it predominant we have fortified it with Obstacle Detector, Gas Sensor.
- To control the robot from a remote location, based on the inputs from a camera which is attached to its chassis, it helps us to put off the fire.
- In case if the camera malfunctions due to damage the robot is programmed to switch to automatic mode and knock down fire using temperature sensor.

TRAINING AND PAPER PRESENTATIONS

Industrial visit at Kalpakkam Power plant , Chennai

- Acquired knowledge on the working of nuclear power plant.
- Visualised the control room for the remote control of boilers, condensers and the reactor core.
- Maintenance of the nuclear reactor with intense protection from hazard was studied.

Industrial visit at Neyveli Lignite Power Plant, Chennai

- Acquired knowledge on the Thermal Power Plant working.
- Lignite is used as the raw material to produce electricity. The method used to extract lignite was taught. The cranes that carry tones of lignite was sighted.

➤ Inplant training at 'Lanson Toyota'.

➤ Finalist at a paper presentation event held at PSR Engineering college, titled 'INFERNO RESCUER'.

AREAS OF EMPHASIS

- Industrial Instrumentation
- Transducer Engineering

TECHNICAL SKILLS

- Basic C, C++.
- MS Word
- MS PowerPoint

PARTICIPATION AND ACHIEVEMENTS

- **Third prize** in final year project “INFERNO RESCUER” at Sri Sairam Engineering college during academic year 2017.
- **Best paper presentation prize** in “INFERNO RESCUER” at PSR Engineering college during academic year 2017.
