SUMMARY

To utilize my technical skills and provide a professional service to customers by applying and honing my knowledge and working in a challenging and motivating working environment.

WORK EXPERIENCE

- AGS HEALTHCARE** Mar 2025 - Dec 2025
PROCESS ASSOCIATE
 - Working with internal departments and external parties like insurance companies, patients and providers to resolve billing issues and discrepancies
 - Following up on unpaid claims, resolving claim denials, communicating with patients and payers, accurately updating accounts, and maintaining detailed records, all while adhering to HIPAA and regulatory compliance standards.
- AMAZE TECH SOLUTIONS PVT LTD** Nov 2024 - Mar 2025
AR EXECUTIVE
 - Identifying the root causes of denied claims and taking action to appeal denials or correct errors to secure reimbursement.
- ADAMSBRIDGE GLOBAL PVT LTD** Nov 2023 - Nov 2024
ASSOCIATE
 - Made inbound and outbound calls to follow up on a pending request and clarify missing or incomplete records.
 - Handled denied and rejected claims by analyzing EOBs and performed AR follow-up with insurance companies through calls and web portals to resolve claim denials.
 - Managed end to end medical records retrieval by co-ordinating with hospitals, clients and provider offices across US.
- OMEGA HEALTHCARE MANAGEMENT** May 2023 - Aug 2023
AR ASSOCIATE

Learned about the revenue cycle management (RCM) process, which covers everything from patient registration and medical coding to claim submission, payment, and denial management with current healthcare trends and regulatory changes.
