Professional Summary

Recent MCA graduate with strong foundations in cryptography, cloud computing, and software development. Experienced in C++, MySQL, Python and developing secure applications. Completed an academic project on steganography and visual cryptography for secure image transmission. Certified in cloud technologies, project management, networking, and generative AI, with a keen interest in applying technical and analytical skills to contribute to innovative projects in the UAE market.

Education

Master of Computer Applications (MCA)

Alagappa university, Karaikudi, TamilNadu, India — 2026

Key Courses: C++, DBMS, Cryptography, Software Engineering, Python

Bachelor of Computer Applications (BCA)

JJ college arts and science, Pudukkottai, TamilNadu, India — 2024

Key Courses: C++,Java, Operating System, Computer Networks

Technical Skills

Programming Languages: Python, C++, SQL

Web Development: HTML, CSS

Databases: MySQL

Tools & Platforms: Canva, VS code

Key Concepts: Cryptography, Steganography, Visual Cryptography, AI Basics, Digital Transformation

Academic Project

Steganography and Visual Cryptography :

-Implemented steganography and visual cryptography techniques to secure sensitive data by concealing information within digital media and splitting encrypted images into secure shares for authentication and safe transmission.

Exploration of ultimate dark web anonymization, privacy, and security:

-Explored advanced concept in dark web anonymization, privacy preservation, and security mechanisms, including TOR, VPNs, cryptography protocols, and threat analysis, with a focus on secure communications and digital identity protection.

Certifications

- Graphic Design: Pop Your LinkedIn 3D Effect Using Canva – Coursera
- Skill Development – Empower Consulting Group
- Business Analysis and Process Management – Coursera
- Introduction to Computer Networking – Simplilearn
- Project Management 101 – Simplilearn
- Introduction to Digital Transformation with Google Cloud – Simplilearn
- Introduction to Generative AI – Simplilearn (Google Cloud Certified)

Achievements & Activities

-TamilNadu State Aids Control Society(TANSACS)- Red Ribbon Club(RRC),State Level “Quiz Competition 2021-2022”,I Won the 1st Prize(District First) in the competition of “HIV/AIDS Awareness” On 29th December 2021.

- Presented MCA academic project on Visual Cryptography and Steganography in a university tech showcase.

- Actively participated in coding competitions and technical seminars during MCA program.

-Participated in various seminar and workspace

Languages

-Tamil

-English
